

Potters Wheels and Banding Wheels

Van Tuyl Potters Wheels are made from highest quality materials and we continuously improve our designs and manufacturing methods to ensure customer satisfaction and years of trouble free use.

Potters Wheels

Van Tuyl Kilns and Furnaces have for **many years** manufactured a very successful **range of Potters Wheels** which are marketed under the trade name "**Verga**". These wheels have **durable fibre glass tops** with **drainage facilities** for easy cleaning, the light grey steel body is powder coated to reduce the risk of rusting, four sturdy legs are fitted with one **adjustable for leveling** on uneven floors. All wheels are fitted with a **solid wooden seat**.

NEW - We also now manufacture the **traditional "Kick Wheel"** that does not require electrical power, great for rural projects.

Other Pottery & Ceramic Equipment

Product

Banding Wheel

Van Tuyl Kilns manufacture **banding wheels**, they are used for decorating, sculpting, carving and hand building. Designed to provide **reliably smooth** and **even rotation** for the most delicate applications. It's no wonder they are the banding wheel of choice for **studio artists, production potters and classrooms** alike. The Banding Wheel has a **solid 300mm steel wheel** with a **tripod designed stand** for improved stability.
