

Van Tuyl is one of the leading manufacturers of glass kilns for fusing and slumping. In conjunction with well-known artists and teaching institutions, we are the forerunners in kiln design and development. We also manufacture Annealing kilns and Molten Kilns for glass artists.

Traditional Glass Kilns

Main Features:

- Our glass fusing and slumping kilns are designed to reach up to 1000°C.
- Built inside a solid metal frame which is powder coated for protection against corrosion.
- A working height of 900mm above floor level for easy access.
- Each unit is fitted with wheels.
- All kilns are fitted with the VT-36 fully programmable controller as a standard. This controller enables you to easily manage your kiln and can hold up to 36 programs.

Specs & Pricing:

Traditional Glass Kilns							
Product Code	Internal Dimensions			Controller Type (Included)	Amps	Power Supply	kw
	Height	Width	Depth				
VTGK-21	228mm	560mm	560mm	Micro Processor	24 Amps	Single or Three Phase	5,5 kw
VTGK-22	228mm	1080mm	560mm	Micro Processor	39 Amps	Single or Three Phase	8,5 kw
VTGK-23	342mm	1080mm	560mm	Micro Processor	39 Amps	Single or Three Phase	8,5 kw
VTGK-24	460mm	1080mm	560mm	Micro Processor	45 Amps	Single or Three Phase	9,9 kw
VTGK-25	228mm	1400mm	560mm	Micro Processor	39 Amps	Single or Three Phase	8,5 kw
VTGK-26	342mm	1400mm	560mm	Micro Processor	17 Amps per phase	Three Phase	11,25 kw
VTGK-27	460mm	1400mm	560mm	Micro Processor	17 Amps per phase	Three Phase	11,25 kw
VTGK-28	570mm	560mm	560mm	Micro Processor	45 Amps	Single or Three Phase	9,9 kw

Table Top Glass Kilns

Main Features:

- Our compact and economical table top glass fusing and slumping kilns will run from a normal household electrical socket (240 volts / 10 Amps), but is still large enough to produce quality items.
- Fully enclosed in powder coated steel.
- Fitted with a gas lifter to assist in lifting and holding the lid open.
- All kilns are fitted with the VT-36 fully programmable controller as a standard. This controller enables you to easily manage your kiln and can hold up to 36 programs.

Optional Extra:

- Our table top glass kilns are designed to sit on a work surface, but can be mounted on a lightweight frame fitted with casters (optional extra).
- There are 2 freestanding stand options available.
 - Collapsible stand for easier packing and transportation.
 - Solid, fixed-frame stand.
